

Creating plant-based baked goods?

We have the ingredients for you...

Plant-based is the way forward

As consumers continuously strive for healthier lifestyles, turning more towards a **plant-based diet** has become a food choice for overall better health and sustainability. In fact, the Taste Tomorrow global survey revealed that 60% of Canadians want to incorporate a more plant-based/vegan diet. This explains why the demand for plant-based food options is growing, including plant-based baked goods.

Consuming **plant-based foods** regularly can mean eating less saturated fat and more fibre, fruits, vegetables, whole grains and plant-based proteins which are good for overall health. **Plant-based or vegan foods** contain no animal products – this includes milk and eggs. These ingredients are very functional when making sweet baked goods, as they help to create structure, achieving a pleasant texture in the final product. Without these ingredients, cakes can often turn out dense or gummy, creating a challenge for customers who want to be able to innovate in this category.

We believe that plant-based baking should not have to be a challenge. Within Puratos we offer **plant-based suitable solutions** to help you cater to plant-based diets with your creations. The following list contains pâtisserie and bakery ingredient solutions that qualify as **plant-based suitable solutions**, meaning that they **do not contain any animal-derived ingredients**.

Pâtisserie

As the plant-based lifestyle continues to grow, we want to help our customers be able to innovate in this particularly difficult area with a range of **plant-based suitable solutions** covering all the elements of pâtisserie. Our range is the perfect tool for innovating with tastes and textures, creating a positive food experience for consumers without sacrificing indulgence.

Cake Mix

ITEM NAME	ITEM #	DESCRIPTION
Satin Vegan Cake Mix	4012007	Vegan certified cake mix that provides the quality and versatility you are looking for in a cake mix. Clean(er) Label .

Vegan Strawberry Shortcake

This strawberry shortcake trifle is the perfect no-bake summer dessert! It is made with layers of **Satin Vegan Cake Mix**, **Topfil Choice Strawberry** fruit filling and fresh whipped **Ambiante**, finished off with fresh summer strawberries glazed with **Harmony Sublimo Glaze N' Go Neutra**. A truly tasty plant-based sweet treat!

Ingredients	%	Grams
Satin Vegan Cake Mix	100	1000
Water	47	470
Oil	22	220

WORKING METHOD

Layers: Place the ingredients in the mixing bowl and blend together for 1 minute on low speed using a paddle attachment. Scrape down bowl and mix for an additional 4 minutes on medium speed. For sheet layers: scale at 900 grams on a lined tray. Bake at 220°C (428°F) in rack oven for 7-9 minutes.

Non-dairy whipped topping: With the use of a whip attachment, whip **Ambiante** until a stable mousse is obtained.

Fillings: Fill a pastry bag with **Topfil Choice Strawberry** and leave aside.

Assembly

- With the help of a round cookie cutter, cut layer cake out into round disks to fit in a verrine cup
- Place a piece in each cup
- Pipe a layer of **Topfil Choice Strawberry**, followed by a layer of whipped **Ambiante**. Add another disk of layer cake followed by a layer of whipped **Ambiante**. Top with fresh strawberries glazed with **Harmony Sublimo Glaze N' Go Neutra**

Amber Grain Vegan Cookies

Offer healthier food options to consumers whether they are interested in the benefits of whole grains and/or plant-based foods. These delicious vegan cookies are made with our **Satin Vegan Cake Mix** and **Softgrain Amber Grain** for a sweet, balanced flavour thanks to the goodness of grains.

Ingredients	%	Grams
Satin Vegan Cake Mix	100	1000
Softgrain Amber Grain CL	40	400
Vegan Margarine	26	260
Water	6	60

WORKING METHOD

- Using a paddle attachment, mix **Satin Vegan Cake Mix** with the vegan margarine on 1st speed until a crumble texture is obtained, add in the water and continue to mix until water is absorbed. Add in the **Softgrain Amber Grain CL** and mix until all ingredients are well incorporated.
- With the help of an ice cream scoop, portion the prepared cookie dough and place it on a lined baking tray.
- Temperature: 175-180°C (347-356°F)
- Baking Time: 15-17 minutes or until cookie has browned around the edges.
