

# Sunset Glaze

*The golden egg-wash alternative*

Two golden-brown bread rolls are shown side-by-side. Each roll has a small white tag attached to its top with a metal clip. The tag on the left roll reads 'Sunset Glaze 100% food safe' and the tag on the right roll reads 'with regular egg wash'. The rolls have a shiny, glazed appearance.

**Sunset Glaze**  
*100% food safe*

*with regular  
egg wash*

# What is Sunset Glaze?

Sunset Glaze is a clean label, ready-to-use egg wash alternative, developed to give baked goods better visual appearance and making them more shiny.
