

Cremfil

Where reliability meets convenience

Puratos
Reliable partners in innovation

2 Ranges

Cremfil Silk

Superior performance

The Puratos Cremfil Silk range of ready-to-use cream fillings deliver superior performance. Cremfil Silk has amazing bake and freeze/thaw stability as well as a silky texture and a clean cut. It is suitable for short to medium shelf-life applications, and can be used as a filling in either pre or post bake formats. Cremfil Silk fillings deliver a smooth, melting texture that is both functional and great tasting!

Cremfil

All around quality

Puratos Cremfil range of ready-to-use cream fillings are all purpose and hold up well to standard applications. Cremfil offers good functionality, quality and flavour.
