

Easy Brioche

One mix, many applications

Easy Brioche

Introducing a new kind of innovation from **Puratos!**
Easy Brioche is a convenient mix to make soft & sweet breads with incredible freshness and texture.

Did you know that Brioche is the name of a French pastry that is similar to a highly enriched bread, and whose high egg and butter content gives it a rich and tender crumb. In France, it is commonly eaten at breakfast or as a snack.

✓ Versatility

Consider using for brioche hamburger buns, clustered dinner rolls, pan breads, and even for donuts and cinnamon rolls.

✓ Ease-of-Use

Just a few additional ingredients and you'll have a perfect dough every time. When time and labour are a concern, we have you covered.

✓ Cost Savings

Using our latest technology – you can reduce your use of fat while still having the full flavour and soft texture that everyone expects from brioche.

✓ Freshness

Featuring our best technology, this product can maintain its' freshness for up to 7 days.
