

Harmony & Miroir

The art of high quality glazes

Harmony

Glazes for Fruit Pies, Cakes & Puff Pastries

Puratos has specific glazes for all your application requirements, working methods and circumstances. Harmony & Miroir provide a glaze solution adapted to everyone's needs for traditional and fine patisserie.

Harmony Nappage

Concentrated glaze

Harmony Nappage is a concentrated hot application glaze with a standard recommended dilution for your convenience. It has a delicate apricot flavour to enhance the freshness of your fruit. This glaze makes your products visually appealing, creating a nice shine and colour.

Harmony Classic

Concentrated glaze

Harmony Classic is a customizable, concentrated hot application glaze that can be diluted according to your needs. Refer to the table on the right for dilution details. This high quality glaze gives a beautiful visual appeal with a good clean-cut and excellent stability over time, even on sensitive fruits such as pineapples and pears.

Harmony Ready

Ready-to-use glaze for spray machines

Harmony Ready is the best solution when you need to efficiently glaze entire trays of products. This glaze is specifically designed for spray machines, and comes in a bag-in-box format suitable for your machine. Harmony Ready is available in both Apricot or Neutral flavour. Both products produce great results for all skill levels.

Harmony Sublimo

Ready-to-use cold setting glaze

Harmony Sublimo is the first to combine all the advantages of existing hot and cold glazes into one new generation, ready-to-use glaze. No dilution or heating required! It is the most convenient solution for traditional patisserie and provides a perfect clean cut that is comparable to a hot application glaze. This high quality glaze is optimal in preserving the colour and firmness of fresh fruit.
